Greetings!

If you're a hiring manager, finding good IT admins, developers, QA analysts, and so forth shouldn't feel like a random roll of the dice. And if you're an IT job seeker, finding the right company shouldn't feel like a game of chance either.

Join ATP in December as we discuss both sides of the hiring game: how to find the best candidates **and** how to be the best candidate. This panel discussion will feature speakers from recruiting firms like **Robert Half** and **Crescent Technology**, as well as an HR director from a technology company in our area. Watch your email for more specifics as we get closer to the date.

Plan now to join us on December 9th, 2015. The meeting will kick off at 11:00 A.M. with registration beginning at 10:30 A.M. This is an easy, affordable opportunity for learning, lunch and networking. We look forward to seeing you.

Sincerely,

Curtis Davis
President, 2015

For more than 20 years, the Association of Technology Professionals, Inc., (atp) has been promoting effective design, operation, and management of technology, telecommunications systems and networks.

atp provides a vendor-neutral, unbiased forum for members to exchange ideas, innovations and applications at bi-monthly meetings. The meetings, in turn, establish a community for common interest and promote personal advancement within the telecommunications profession.
